Hi Emma,

I hope you are fine! This is a letter to wish you a very big **Happy Easter** !!!! I hope you have a really nice Easter. I have sent a few small things with this letter for you. I hope you like them!

Things are fine here in Australia, Emma. Summer has finished now and autumn is beginning. There is a big oak tree in the back garden of my house in Mitcham and I can see some of the leaves are starting to go brown. Soon they will drop everywhere so I'll need to rake them all up!

In an earlier letter I wrote that I'm living in Mitcham now – so hopefully you know that I have shifted. Just in case you didn't know, I'm now living in a nice brick house in Mitcham. It is only 10 minutes from Box Hill so I can still go to church there and see my all my friends in Box Hill. Lulu is happy in the new house too, which is very important! You can see my new address at the bottom of this letter!

Grandma and Grandpa in New Zealand are both fine, Em. They both send you all their love and wish you all the very best.

Love you heaps and heaps, Miss Em and I really hope that we will be able to be in contact again some time soon!

Lots and lots of love,

Aaron :-)
